

EssentialLine working tools

Your durable and reliable choice for day-to-day jobs

Your durable and reliable choice for day-to-day jobs

We are providing an EssentialLine of working tools for your day-to-day jobs. A special alloy, an advanced forging technology as well as a professional heat treatment, make our EssentialLine the best choice for any of your Epiroc hydraulic breakers, no matter if your fleet contains our premium or essential breakers.

Wear resistance and robustness are the core features of our new EssentialLine of working tools. We offer moil points, flat chisels (cross) and blunt tools under this range.

The EssentialLine of working tools from Epiroc and your whole Epiroc breaker are covered by our warranty guidelines.
